

ABOUT US >>>

Women's Studies is an interdisciplinary field of research, teaching and activism that places gender at the centre of study. Women's Studies perspective is being incorporated by the UGC into different disciplines in Humanities and Social Sciences, Commerce & Law. The Centre for Women's Studies was established in the University of Rajasthan, Jaipur in 1980's. The centre is committed to Gender Equality; Equality and Justice works to realize the same through academic pursuits and extension activities independently and in collaboration with other Centres, Departments, Government and NGO's. Since its inception the Centre has been functioning effectively in accordance with the guidelines of the UGC to "promote awareness among women and men, of the need to develop and utilize women's full potential as resource for national development in its economic, political and socio-cultural aspects; on the need to question existing values and of their social responsibilities to participate equally.

The Centre for Women's Studies has been organizing National, International Seminars, Symposia, Workshops and Refresher Courses on Gender Issues.

ABOUT THE WORKSHOP >>>

Indian Society is predominantly a duty based society and not a right based society. One of several factors that justify the greatness of Indian ancient culture is the honourable place granted to women. What sets apart Indian Women is that they draw their strength from traditions and cultural values of our great civilization. Over the years there has been a shift in India in the perspective on women. The workshop is focused on the present day studies on need of women aspects through ancient Indian thoughts and present scenario of the society to prescribe a holistic view in order to empower women and

Indian society at large. Integration of gender concerns and perspectives in policies and programmes for sustenance of environment at international, national and local level by adopting Indian values is also necessary.

In this regard to enhance the quality of standards of education, updating and restructuring of the curriculum must be a continuous process. Keeping this in mind the centre is organising a syllabus restructuring workshop for M.Phil-I, II semesters and PG Diploma Courses.
