Editor & Director**

Guidelines for Authors

We are requesting for research articles on any theme related to the Social Sciences: -

1. *Social Science Explorer* welcomes original Hindi/English articles. Articles **(not exceeding 2,500-3,000 words)** must be typed on one side of the paper, 1.15 line spaced, with wide margins on all four sides. An abstract (not exceeding 150 words) and key words (not more than 5 words) must accompany the article. The manuscript should be typed in Times New Roman (12 pt) for English text and Devlgs 010 (14 pt) for Hindi text.
2. Articles must be submitted as Email attachments (**ssessrc@gmail.com**) processed on **MS Word**.
3. For reference style kindly refer the following details :
 - **In-Text Citations** : adopt the ***APA (7th Edition)***
 - One author : (Sharma, 2020)
 - Two authors : (Sharma & Verma, 2021)
 - Three or more authors : (Sharma et al., 2022)
 - Direct quotation with page number : (Sharma, 2020, p. 45)
 - **Reference List Examples**
 - **Book** : Author, A. A. (2026). *Title of book in sentence case*. Publisher.
 - **Journal Article** : Author, A. A. (2026). Title of article in sentence case. *Title of Journal in Title Case*, Volume (Issue), Page–Range. URL or DOI.
 - **Website**: Author, A. A. (2026, Month Day). *Title of page or article*. Site Name. URL.
4. Cite sentences or words taken from other works with single quotation marks: use double quotation marks only within quotations. Separate quotations exceeding fifty words from the text and indent them on the left. Unless the entire sentence is part of the quotation, the punctuation must remain outside the quotation marks.
5. Use British, rather than American, spellings (labour, not labor; programme, not program). Similarly, use 's', rather than 'z', in 'ise', 'ising', 'isation' words. Authors have latitude as regards italicisation, but italicisation needs to be consistent in the article.
6. Write numerals between one and ninety-nine in words, and hundred and above in figure. However, the following are to be in figures only: distance: 3 km; age: 32 years old; percentage: 64 per cent; and years: 1990s.
7. **Contributors are required to provide their name, designation, official address, mobile number and Email ID at the end of the complete research paper.** Only articles which have not been published earlier or which are not being considered for publication elsewhere will be entertained. A self-declaration to this effect must be included in the covering letter.

Note : Authors are requested to submit **plagiarism report**, **AI report** and **self-declaration** of authenticity.
