

University Science and Instrumentation Centre

Declaration cum Undertaking

Equipment used:

I am interested in getting characterization of my sample using (equipment name)_____.

I hereby declare that the above equipment of USIC was used for measurements on my samples. I understand that USIC is coming with a policy that user charges will be levied for the usage of equipment. I undertake that whatever charges decided will be chargeable for measurements done now and undertake to pay user charges retrospectively within a week after intimation from USIC and shall abide by the rules and regulations from time to time framed by USIC.
